The courier hack

Leaving Goa from Madgaon with your dog? Don't drive around looking for the office that takes your First AC coupe request. Courier it.

The office isn't at Madgaon station. It's about 1 km away, and we couldn't find it on Google. Even railway staff didn't seem to know about it. It took us almost an hour and 4–5 different stops to find it, with our dog in tow. We're sharing it free so you don't have to do the same.

SEND IT HERE

Office of SSTE, KRCL
SH 8, Sanscar Society, Margao, Goa 403601

Find it on Google Maps with this Plus Code. Searching the office name won't work.

This is the office that takes coupe requests for trains leaving Madgaon. Leaving from your home city instead? Submit it to the DRM office of the railway that runs your train.

How to courier it

1. **Print and sign everything.** That's your coupe request letter, e-ticket, photo ID, your dog's vaccination record and a vet fitness certificate. Need the letter? Use the coupe request form, the first link in our bio.
2. **Write your phone number on the letter** so the office can reach you.
3. **Take a photo of everything** before you send it.
4. **Book a Borzo delivery** to the address above, outside rush hours. It costs about ₹500–700 (about ₹1,000 at peak times). A taxi there and back from North Goa costs ₹4,000–5,000.
5. **Time it right.** The letter must reach the office by the morning of the day before you travel.
6. **Save the delivery proof** from Borzo.

> The coupe is allotted when the chart is prepared, about 4 hours before departure. It isn't guaranteed, so keep a backup plan.

Bonus food we carry for Boggi

Sara's Wholesome Food by Heads Up For Tails (@headsupfortails). We always carry it. It's easy to pack, doesn't need a fridge, and Boggi loves it. Sometimes we cook plain rice and mix it 50-50 with the Sara's.

- **Storage:** keep unopened packs in a dry place away from sunlight. Once a pack is opened, refrigerate it and use it within 48 hours, or use the whole pack in one meal.
- **Portions:** they depend on your dog's size, so check the feeding guide on the pack.

Sir Lancelot's Kitchen (@sirlancelots.goa). For treats, we buy local. They make dog treats right here in Goa, perfect for your dog and the beautiful Goan local streeties too. They love the chicken jerky!
